RELEASE INFORMATION: "The Ultimate Guide" lists performances by The Rolling Stones released on official records and on "classical" bootlegs (prior to 2013) and on film or TV. Obviously, there are *more* recordings available to collectors: Most shows of this tour have been circulated in one audio form or another with their full programme. Exceptions are Indianapolis (August 10, 1994) from where only a short TV clip is available, Edmonton (October 4 & 5, 1994), Salt Lake City (October 23, 1994), Houston (November 13, 1994) and Atlanta (November 15, 1994) of which no recordings seem to exist, and Minneapolis (December 11, 1994) where one of the performed songs is missing on the circulated recording.
