RELEASE INFORMATION: "The Ultimate Guide" lists performances by The Rolling Stones released on official records and on "classical" bootlegs (up to and including 2012) and on film or TV. Obviously, there are *more* recordings available to collectors: Most shows of this tour have been circulated in one audio form or another with their full programme. Exceptions are Kona (January 21, 1998), and Buenos Aires (April 2 & 5, 1998) of which no recording seems to exist, plus Mexico City (February 7, 1998), and Buenos Aires (March 29 & April 4, 1998) where only part of the shows seem to have been recorded.
