Obviously, there are *more* recordings available to collectors: Most shows of this 15 months-tour have been circulated in one audio form or another with their full programme. Exceptions are Las Vegas (November 16, 2002), Singapore (March 26, 2003), Bombay (April 7, 2003) and Zaragoza (September 29, 2003) of which no recording seems to exist, plus Singapore (March 24, 2003) where only part of the show seems to have been recorded.
